

Partner - Intellectual Property - Fort Lauderdale

Job Category: Partner

Position type:

Description:

Shutts & Bowen's Fort Lauderdale office is seeking an IP Partner whose practice is in intellectual property law. This includes the preparation and prosecution of U.S. and foreign patent applications with a concentration in the mechanical arts, U.S. and foreign trademark applications, and copyright applications. Experience should include the negotiation and drafting of various types of agreements relating to the transfer and licensing of intellectual property including patents, trademarks, and copyrights. The successful candidate will also handle various intellectual property disputes, including trademark opposition proceedings, patent and trademark litigation, and domain name disputes.
