May 23, 2012 05:05 PM

Fifty Shutts & Bowen attorneys throughout the State of Florida have been recognized for inclusion in *Super Lawyers*.

Super Lawyers are attorneys who have attained a high degree of peer recognition and professional achievement. *Rising Stars* are 40 years old or younger, or who have been practicing for 10 years or less. Nominations and evaluations are combined with third party research by *Law & Politics Magazine* and each candidate is evaluated on a variety of criteria. Selections are made on an annual basis in an effort to create a comprehensive listing of attorneys that can be used as a resource for attorneys and consumers searching for legal counsel.
