June 15, 2009 01:06 PM

Fifty-four Shutts & Bowen attorneys throughout the State of Florida have been recognized as either Super Lawyers, Rising Stars or Star Search.

Super Lawyers is a list of lawyers who have attained a high degree of peer recognition and professional achievement. Nominations and evaluations are combined with third party research by *Law & Politics Magazine* and each candidate is evaluated on a variety of criteria. Selections are made on an annual basis in an effort to create a comprehensive listing of attorneys that can be used as a resource for attorneys and consumers searching for legal counsel.
